

**"To be in such a beautiful place,
with such welcoming people...
it restoreth my soul!!"**

"My children ask about the next Silver Bay
Weekend as soon as
we leave Lake George!
We wouldn't miss it."

**"It is so rare (these days) to
be among people I can talk to openly about
dissenting politics, more positive views
of what the world can be and questions of
philosophy and differing views of faith.
That kind of conversation deepens the
meaning of being alive."**

"Silver Bay Weekend is a gift we give ourselves as a
family to reconnect with each other,

with the spectacular nature that surrounds us on
Lake George and to deepen our commitment to
our Unitarian Universalist faith. We come every
year."

**"I met my husband at Silver Bay weekend.
It's a great place for UU singles."**

"Wonderful fellowship, great opportunities for
community, for learning (the workshops were
fabulous!), for sharing, laughing and of course,
eating!"

**"Coming from a tiny congregation in the
northern Adirondacks, I find
the camaraderie of being with 250
like-minded folks a great joy!"**

We welcome Unitarian Universalists from across the
state and the country to join us for the **15th
Anniversary of Unitarian Universalist Weekend
at Silver Bay** on beautiful Lake George in the
Southern Adirondack Mountains, **Friday to
Sunday, October 17th - 19th, 2008**. Hosted by
volunteers from UU congregations in the

St. Lawrence District, the celebratory weekend
includes a performance by **Jim Scott** on Friday
night, a **boat cruise** on Saturday afternoon
aboard the **Adirondac**
(www.lakegeorghoreline.com), with
children's programming all weekend,
workshops (lectures, crafts, spirituality, music,
and movement), outdoor activities such as
hiking, kayaking and bird watching,
delicious food, a hilarious Talent Show
(bring your special talent!) worship, dancing, and
much more. Pack your good will, your cares and
hopes, a warm sweater and find a soft place to
Fall among the vivid foliage on the lake Thomas
Jefferson called *"the most beautiful water I've ever
seen. It's water is limpid as crystal and the
mountainsides are covered with rich groves of fir,
pine, aspen, and birch down to the
water's edge"*. Bring your family and
friends for an unforgettable weekend.
We look forward to seeing you!
