

UU Weekend

at Silver Bay

Oct. 16-18, 2009

A "soft" place for
Unitarian Universalists
to Fall!

We invite Unitarian Universalists from across the state and the country to join us for the 16th Unitarian Universalist Weekend at Silver Bay on beautiful Lake George in the Southern Adirondack Mountains, hosted by volunteers from UU congregations in the St. Lawrence District.

The fun begins on Friday, with children's programming all weekend, workshops (lectures, crafts, spirituality, music, and movement), outdoor activities such as hiking, kayaking and bird watching, delicious food, a hilarious Talent Show (bring your special talent!) worship, dancing, and much more.

Pack your good will, your cares and hopes, a warm sweater and find a soft place to land!

"Silver Bay Weekend is a gift we give ourselves to reconnect with each other, with nature, with our own selves."
